

Tyre and Rim Insurance

Protection against the dangers of the road

The road can be a dangerous place.

Metal, glass, potholes and debris are just some of the many hazards that you can be faced with when driving.

Being the point of contact between you and the road, your vehicle's tyres and wheel rims are important in keeping you and your family safe. Not to mention, repairs to tyre and wheel rims can be expensive.

Don't allow tyre and wheel rim damage to leave you stranded, protect yourself with Tyre and Rim Insurance.

This is general advice only and does not take into account your individual objectives, financial situation or needs ("your personal circumstances"). Before using this advice to decide whether to purchase these insurance policies, you should consider the appropriateness of it having regard to your personal circumstances, plus obtain and consider the current Product Disclosure Statement for the relevant insurance policy.
